**Visible area** 800 x 2000mm  
**KEEP YOUR MESSAGE WITHIN THIS AREA**

**Please make your background carry on into the non visible areas**

Please keep artwork within a bounding box with a 1pt black stroke  
Nothing to go outside of the bounding box.

**CHECKLIST - before sending your file please check -**

- Fonts MUST BE outlined** - (converted to paths - even if you think the fonts are embedded please convert to outlines as we can accept no responsibility for changes in fonts)
- Artwork is within a bounding box with a 1pt stroke
- File is in CMYK colour mode
- Images are of good enough quality for a large scale banner - recommend 300dpi images
- Artwork that needs to be visible is not in the non visible area
- Banner dimensions are correct - 800 x 2065mm
- Artwork is at actual size (or 50% if file is too large)
- File is saved in PDF format (fonts are outlined) we can also accept, eps, high res jpeg and tiff files.

**If you can tick all of the above your artwork is ready to go!**

Designs not in the correct format will need to be re-submitted  
any corrections will be charged.
